Joel Fan

November 3 & 4, 2013

Joel Fan's engaging personality, technical assurance, and lyricism win over audiences wherever he performs. He has collaborated with cellist Yo-Yo Ma, both in the Silk Road Ensemble, and in Beethoven's Triple Concerto with the New York Philharmonic. Incorporating unique insights gained from performing an eclectic range of repertoire, Mr. Fan revisits works by Wagner, Chopin, Brahms, and Liszt with originality and freshness.
